

# Soft Gelatine Capsules

All capsules described in the following are based on optimised standard formulations. These standard capsules are either on stock or can be produced on short notice. They are available in flexible quantities. Minimum order quantity for basic formulations is one unit for capsules which are on stock under consideration of minimum order value.

<u>Article no.</u>	<u>Product name</u>	<u>Size</u>	<u>Colour</u>	<u>Unit</u>
50-000002	<b>Antioxidant</b> Borage Oil (min. 18% GLA) 250 mg Mixed Tocopherols Concentrate (70 %) 17.9 mg Calcium Ascorbate 33.3 mg Magnesium Carbonate 157.2 mg Riboflavin 1.9 mg Pyridoxine HCl 2 mg Beta-Carotene 30% 6 mg Sodium Selenate (Se 41%) 0.05 mg Coconut Oil 31.8 mg	7,5 oval	brown/ transparent	11,000 caps.
